

Internship USA 2024

FAST FACTS

eligibility

Must be either

- A full-time postsecondary student currently in a nationally accredited institution of higher education (in at least their first year of study when applying for the programme). The applicant must have completed at least one year of study before starting an internship. A minimum age of 18 but no upper age limit.
- A recent graduate from a full-time course is eligible if they begin their internship within 12 months of graduation. Same age restrictions as above.
- Proposed internship must be directly related to the field and level of study.
- Non-New Zealand residents can apply for the programme if they study/have studied at a New Zealand post secondary institution, but may have additional requirements for eligibility placed on them by the US Consulate in New Zealand.

duration

- Work visa lasts for 1-12 months and is issued for the exact dates of internship, as per employer's notification.
- Participants can remain in the USA as tourists for up to 30 days after their work visa expires.
