STRATEGIC PLAN

Key Pillars of the 2015–2018 Strategic Plan

OUR VALUES

The SMJFL believes in:

- **Independence** – to remain independent, strong and viable.
- **Accountability** – the highest level of accountability for all stakeholders.
- **Respect and Tolerance** – to promote respect, tolerance & fairness at all levels.
- **Inclusiveness** – regardless of gender, cultural background, socio-economic status or ability.
- **Communication** – open and transparent.
- **Quality** – a commitment to continual improvement and best practice.
- **Health, Well-Being & Fun** – to foster a community based environment that is family friendly, healthy and fun

OUR PILLARS

- 1. Governance** – To ensure that our decision making is independent, professional and accountable for the betterment of our stakeholders, for short to long term interests.
- 2. Football** – Maintain quality football competitions, pathways and environments that are safe and fun and which promote health and inclusiveness for all.
- 3. Stakeholders and Communication** – Building and elevating the SMJFL brand in the community.

ENGAGEMENT

ROBERT CONNOR DAWES FOUNDATION

Established in 2013, the Robert Connor Dawes Foundation is the SMJFL's official charity partner. The Foundation's aim is to raise money for paediatric brain cancer research following the loss of 18-year-old Connor Dawes to brain cancer four years ago.

This year the SMJFL celebrated its partnership with the RCD Foundation by holding the inaugural Connors Beanie Round during Round 13 across 25 clubs and 55 suburban venues, with the club community encouraged to wear a RCD Foundation beanie.

Money raised by clubs -

RECOGNITION AWARDS

The following award winners were recognised for their outstanding achievements in 2017 at the SMJFL's annual Presentation Night held at Kingston City Hall in conjunction with AFL Victoria.

Junior Coach Of The Year

Gerard Feehan (East Malvern)

Youth Coach Of The Year

Trent Dennis-Lane (East Brighton)

Club Umpire Of The Year

Rod Ferry (Dingley)

Club Administrator Of The Year

Bree Vallance (Cheltenham)

Match-Day Behaviour Award

Ormond JFC

Volunteer Of The Year

Michael Dingli (Cheltenham)

Monash University Leadership Award

Jessica Stolz (East Malvern)

Outstanding Service to Australian Rules Football

Brooke Hannaford (Mordi-Brae)

Furthermore, the following umpires were recognised for their efforts in 2017 at the annual Umpires Presentation Night

Golden Whistle Award

Brett Poll

Len Manzie Training Awards

Ben Tilbrook, Chris Menara, Chester Ryan

Encouragement Awards

Daniel Pate, Max Delaney, Riley Johnstone

Eddie Griffin Award (Best 1st Year Umpire)

Jack Seymour

Boundary Umpire Award

Sam Ritchie

Robinson Walsh Award

Indiana Budimir

Pathways Award (SFNL)

Justin King

Most Promising Umpire Award (VAFA)

Jonathan Clark

Top - Jessica Stolz (East Malvern), winner of the inaugural Monash University Leadership Award for her efforts and initiative in the female football community at her club.

Bottom - Brett Poll, third-year umpire and winner of the prestigious Golden Whistle Award.

CHAIRMAN'S REPORT

**PETER RYAN
CHAIRMAN**

What a way to finish! The 2017 season, my last as Chairman, has been extraordinary both on and off the field for the South Metro Junior Football League (SMJFL).

10,564 registered players and 26 member clubs formed 456 teams. The league coordinated 3,207 matches of football, played by both boys and girls, from Under 8 to Under 18s across six local government municipalities. This included 132 finals matches, 38 Grand Finals and 222 Lightning Carnival 'mini-games'.

This year 78 girls-only teams were fielded, a staggering 136% increase on 2016 (33 teams), no doubt thanks in part to the establishment of the AFL Women's competition.

There were over 356 active league umpires and 380 club volunteer umpires, a cohort who I call our 27th club. The camaraderie, banter and support for each other amongst the umpire group is similar to that of any member club. The league umpires are aptly led by an outstanding coaching panel, Cam Watts (Head Coach - Umpiring) and fellow coaches, along with supporting mentors, must be thanked for their continued development and nurturing of the boys and girls, men and women who umpire each Sunday. All our umpires were wonderful in their role not always fully appreciated, but remember, no match begins without an umpire.

The SMJFL ran the Interleague program internally in 2017 for the second season, our most successful to date. We saw six South Metro Stars teams featured in the AFL Victoria Metro Junior Championships across U15 Boys, U15 Girls and U14 Boys, yielding three Grand Final appearances and two Under 14 premierships. Two Under 13 teams played in a one-day carnival on the Sunday of Queen's Birthday Weekend.

What was most pleasing was each and every one of the representative players and coaches demonstrated the values of the league on and off the field. David Sheridan (Director of Interleague) and his team must be heralded for running such a fantastic program that no doubt will go to new highs in 2018.

All this football is only achieved as a result of the work done by those at the coal face, so a big thank you to all the volunteers and support crews at each club, starting with club committees, game day officials, parents, family, friends and supporters. It is these groups of individuals that form the fabric of each club and make Australian Rules football such a great game to play in and to be associated with.

Because of this, the Board continues to focus on delivering our mission, 'to provide kids a safe, supportive and inclusive environment which develops, promotes and encourages participation in Australian Rules football'.

We are lucky at the SMJFL to have such a hard-working Executive Team, led by Sarah Loh, our new CEO in her first full season at the helm. I would like to acknowledge their contribution in 2017 and it is their commitment that ensures a successful season such as we had in 2017.

On behalf of the SMJFL Board I'd like to thank and acknowledge the ongoing close working relationship with the AFL, AFL Victoria, St Kilda FC, Melbourne FC, Southern Football Netball League (SFNL), Victorian Amateur Football Association (VAFA) and the support of our corporate partners, in particular our Major Sponsor Monash University for all their support.

Finally, to my fellow board members, we discuss issues as individuals at board meetings but we leave as a collective, which shows our strength. I thank you for your continued input and support of the league and your support of me in the role.

It's been humbling and a privilege to have had the opportunity to lead a great league as the SMJFL. These past five years have been a wonderful journey with many memories that I will treasure for life.

I look forward to returning to football in 2018, just as a parent/dad and still enjoying what we strive to deliver on, 'It's about the kids'.

CHIEF EXECUTIVE OFFICER'S SUMMARY

EXECUTIVE REPORT - PILLAR 1 - GOVERNANCE

In my first full year as Chief Executive Officer of the South Metro Junior Football League (SMJFL), it's been an amazing year of growth which has us all excited about the road ahead in junior football in the south-east.

At the end of 2016, the league had 9,550 registered kids and in 2017, that number spiked to 10,564 which is an amazing 10% growth, thanks partly to the establishment and success of AFL Women's.

No doubt likely to drive the growth of female football in the region will be the journey of league ambassador Isabel Huntington, who was recently selected with pick one by the Western Bulldogs in the 2017 AFLW Draft. An East Sandringham and South Melbourne Districts junior, Isabel has given back to the region by assisting in coaching of the girls Interleague program where she will have inspired many young girls to pursue their professional dreams.

Off the field, the league continues to have the strongest sponsorship program of any junior league in metropolitan Melbourne. In late 2016, the league developed a new sponsors package and with this came the league's first major sponsor in Monash University for an initial two-year agreement, the most significant financial contribution in the league's history.

A new partner for the league late last year was the commitment of ISC Teamwear as our official apparel partner through to the 2018 season. As part of the two-year partnership, ISC have supplied on-field playing jumpers, shorts and socks to all 26 member clubs, as well as producing our official Interleague playing gear, umpires uniforms and staff uniforms. After an extensive and through tender process, the league could not be more thrilled to have partnered with the industry-leading ISC and thank them for their swift turnaround with all playing gear in 2017. We've

received nothing from positive feedback from all parents, players and clubs alike, and our Premiership-winning Under 14 Interleague teams certainly looked a treat in their new playing kits on Grand Final day. We look forward to taking the partnership to new heights in 2018.

Another major achievement off the field has been the continued work on the Melbourne South Football Facilities Strategy, in conjunction with AFL Victoria and the Southern Football Netball League (SFNL), Victorian Amateur Football Association (VAFA) and nine councils. The SMJFL are taking the lead role as the major contributor and driver of strategy in this area, with 74 venues audited throughout June the launch-pad for future action of this strategy.

These kind of off-field achievements allow the league to continue to provide best practices in junior sport and by doing so achieve the league's vision; 'to be the most respected independent junior sporting league nationally.' This drive and direction is governed by the league's three pillars as part of the SMJFL's Strategic Plan, which in 2017 was its second-last year of implementation.

The league is also proud to be a leader in promoting and educating our clubs about Child Safety. In response to new legislation in effect as of January 1 2017, all clubs have been required to have a nominated Child Safety Officer. Any grievances or incident reports regarding child safety or suspected or known child abuse will have been directed initially to this officer, and they have been responsible for leading the club towards safer practices, a more robust plan for the protection of the children at the club, and establishing a culture of safety and growth for children. We thank the clubs for coming on board in pursuit of full compliance across the competition, with the league no doubt leaders in

this space among the junior sporting organisations in the country. We're committed to Child Safety.

I would like to recognise and thank the SMJFL Executive Team for their efforts and dedication this year.

Emily McIntyre (GM - Football & Operations), Zoe Driver (Marketing and Administration Coordinator) and Amanda Beet (Team Leader - Football Operations & Umpiring) formed the full-time executive team in 2017, with two new additional full-time support staff to assist the league in 2018. Thanks also to our part-time team, including new media coordinator Domenic Favata, Jasmin Cannizzo for her efforts with Child Safety, Director of Interleague David Sheridan, Umpiring Head Coach Cam Watts and to Finance Manager Bruce Eckersall.

On behalf of the league, thank you to the Board for their dedication and support this year. The directors volunteer their time to ensure that the league continues to be one of the leading junior sporting organisations in the country; while always acting with the league's tagline in mind, 'It's about the kids'.

Special mention to outgoing Chairman Peter Ryan for your five years of service to the Board. It's been a privilege to work with him since arriving at the SMJFL and it's suffice to say the league would not be in the prosperous position it is in, both on and off the field, without your leadership and direction.

It's been another positive year for the league on the financial front, ending the financial year in surplus, which will strengthen the league's cash reserves. The major contributing to this position was the increase in team entries, and the league's largest number of teams in history.

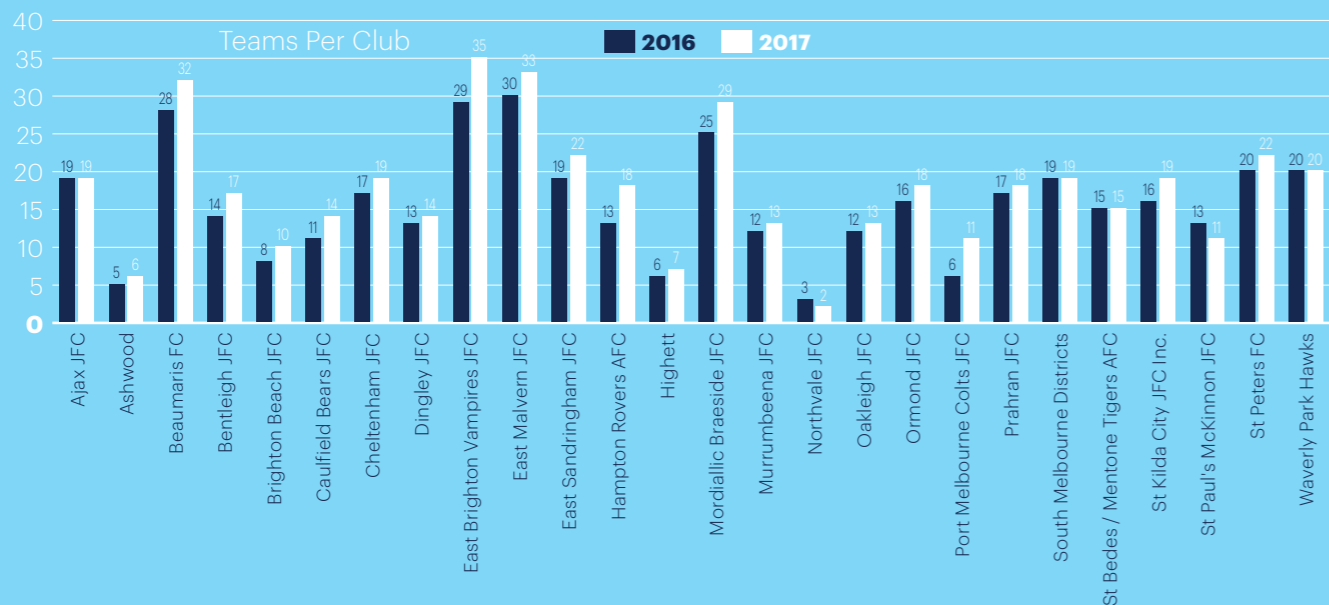

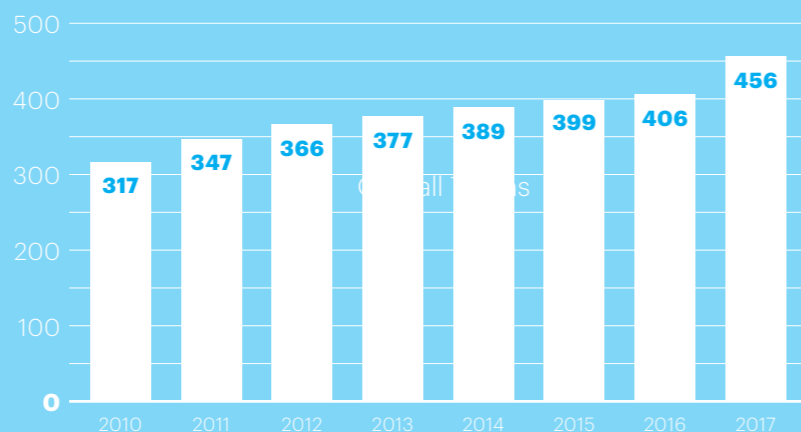

Full audited financials are located at the end of the Annual Report.

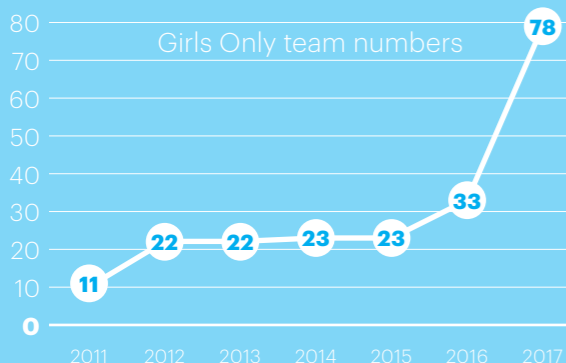

PILLAR 2 - FOOTBALL

PARTICIPATION

The 2017 season was another successful one in terms of growth, with an increase in overall team numbers, particularly in female football. The league had its most significant increase in team numbers since 2009, with 50 new teams taking to the field in 2017.

FEMALE PARTICIPATION

A 136% increase in girls team numbers coincided with a lot of hard work from dedicated club volunteers and was no doubt helped by the first season of AFL Women's. This allowed the league to field teams in two-year age gaps for the first time, which had a significant impact on the overall competitiveness of games. The average margin in girls football decreased from 45.55 in 2016 to 38.62 points in 2017.

A special thank you to members of the Girls' Football Working Party who have assisted with the strategic direction of girls' football within the SMJFL over the last three years.

PILLAR 2 - FOOTBALL (CONT'D)

UMPIRING

A big thanks to all our umpires, both club volunteer and league, for all their hard work and dedication to ensure over 3,500 games of football went ahead throughout the season.

There were a number of key highlights including:

- Community Umpiring Round held in Round 5 to celebrate grassroots umpires. Visits from AFL Umpires inspired and rewarded young (and old) umpires. Even SMJFL Chairman, Peter Ryan, stepped in as goal umpire to help promote the weekend of recognition.
- 33 SMJFL umpires selected to officiate in the AFL Victoria Metro Junior Championships (Interleague). Individuals recognised as emerging talented umpires got to experience the highest level of junior football.
- 2 SMJFL umpires, Sam Gardiner and Gus Rose, were part of the AFL Auskick Program which involved umpiring the AFL Auskick half-time matches at AFL venues. The atmosphere is not just electric for the Auskickers but also the umpires who may one day aspire to umpire at the AFL level.

- AFL Umpire Justin Schmitt continuing his role as SMJFL Umpiring Ambassador. He was able to visit training on a number of occasions to answer burning questions from the umpiring cohort and share his experiences of both junior and elite level football umpiring. Also presenting AFL Umpiring merchandise give-aways at the SMJFL Umpires Presentation Night in August.

MATCH DAY (FOOTBALL) OPERATIONS

GRADING

The overall decrease in average margins for the 2017 season was a great outcome. Modified Rules (including Under 12 Girls) saw the most improvement with a 3 division competition in 2017. An area of focus for next season will be the older age groups in the boys' competition.

Average Margins (Yearly Comparison)

Age Group / Year	2016	2017	% Change
Under 8 Mixed	31.4	26.7	-18%
Under 9 Mixed	30.4	31.7	4%
Under 10 Mixed	31.6	25.6	-23%
Under 11 Mixed	33.2	34.3	3%
Under 12 Mixed	36.0	40.9	12%
Under 12 Girls	65.5	37.3	-75%
Under 13 Mixed	36.5	37.1	1%
Under 14 Mixed	47.9	45.9	-4%
Under 15 Boys	49.4	47.1	-5%
Under 16 Boys	48.3	60.1	20%
Under 17 Boys	51.6	50.0	-3%
Under 18 Girls	43.6	42.2	-3%
TOTAL	39.6	38.21	-2%

LIGHTNING CARNIVALS & FINALS

A huge thank you to Port Melbourne Colts FC, Bentleigh JFC, Prahran JFC and Highett FC for hosting another successful Lightning Carnival series that saw a record breaking 157 teams participated in two great days of round-robin football. Congratulations to all the teams for their efforts during the season.

The late start to the season meant a lack of available gated venues (due to conflict with senior finals fixtures), therefore the decision was made to afford SMJFL clubs the opportunity to host Grand

Finals for the first time since 2013. A boon for grassroots football with larger attendance numbers reported and a celebratory atmosphere marked the conclusion of the season. Thanks to all the following host clubs for helping make the 2017 Final Series a success; Ajax JFC, Ashwood JFC, Bentleigh JFC, Cheltenham JFC, East Brighton Vampires JFC, East Sandringham JFC, Hampton Rovers AFC, Highett FC, Northvale JFC, Ormond JFC, Port Melbourne Colts JFC, St Peters FC and Waverley Park Hawks JFC.

MATCH DAY BEHAVIOUR

Overall, match day behaviour was excellent throughout the course of the 2017 season. This is evidenced by the information provided by both league and club volunteer umpires through behavior ratings of players, spectators and officials for each match. These rated 99.2% as either 'good' or 'fair' for each game (across the three groups). Congratulations to all clubs for the exemplary behavior and supportive atmosphere at most matches, may this continue and improve in 2018, and in particular well done to Ormond JFC, Port Melbourne Colts FC and Brighton Beach JFC who enjoyed the highest behaviour ratings throughout the season.

PILLAR 3 - STAKEHOLDERS & COMMUNICATION

ENGAGEMENT

Corporate Sponsorship Program

During the 2016-2017 off-season, the approach to commercial partners was reviewed and the result was a new and improved Corporate Sponsorship Program that delivered mutually beneficial outcomes for both the league and sponsor. This enhanced the league's ability to secure and service sponsors in three key ways:

- Partnering with businesses whose values aligned with the league,
- Those that wished to give back to grassroots football, and;
- Extending brand awareness for business in the local inner-southern region.

The professionalism of the Corporate Sponsorship Program ultimately secured the investment from inaugural Major Sponsor, Monash University; a leading global university, and one of Australia's largest, and preeminent institutions. Thanks must go to Monash University for its unprecedented investment into community level local sport. The league looks forward to a second year of the partnership and all the exciting things the two organisations can achieve together.

A strong alignment to community values such as leadership and diversity have seen Monash University support a number of initiatives in the first year of the partnership;

- SMJFL Interleague program support and sponsorship (Under 13-15, including girls, and Under 17 Colts)
- Monash University Leadership Round (SMJFL Round 12)
- A series of feature videos and stories on Waverley Park Hawks JFC's culturally diverse membership, Port Melbourne Colts' FC female football recruitment, and insight into the female football development at Ajax JFC

- Monash University logo present at every game on the game-ball and new on-field apparel

A second sponsorship announcement which was new for the 2017 season was the welcoming of ISC Team-wear to the league as Official Sponsor and licensed supplier of on-field apparel, and preferred supplier for off-field apparel. The executive worked hard in November 2016 to navigate the tender process following the news of BLK's situation, and a two-year agreement was signed with ISC Teamwear.

The league has been pleased with the partnership in 2017. The prices of apparel did not increase as a result of a change of supplier, and free delivery to any Australian address made club management of apparel significantly easier. ISC Teamwear kitted out all SMJFL staff, Interleague umpires, players and coaches, as well as clubs who made a significant volume of orders. The league looks forward to a second year with ISC Teamwear, allowing more clubs to upgrade their apparel both on and off the field.

Welcome and thank you to all new partners who engaged with over 10,500 players and their families and invested in our 26 member clubs, as a collective, through partnering with the league. Thanks must also go to the long-serving sponsors whose support has spanned many seasons, those that found their place in the original Partners Program, whose goods and services have helped clubs run week-in week-out and allowed affiliation fees to remain affordable for all clubs, and ultimately participants. All sponsors and stakeholders are recognised at the very end of the annual report.

Charity Partner

The league recognises the Robert Connor Dawes Foundation (RCD Foundation) as the official league charity and takes pride in providing a quality platform for RCD

Foundation to raise awareness for paediatric brain cancer research and 'brain matters'. Once again, taking pride of place on the game ball the RCD Foundation logo could be seen in every game this season. Fulfilling the motto of the partners of 'Kicking goals for brain cancer'.

In Round 13 of the SMJFL season, RCD Foundation put in an unprecedented effort in running the inaugural 'Connor's Beanie Round'; themed round that clubs embraced at many venues across our region. Fundraising through the sale of beanies, ribbons, badges and generous donations was driven by local club champions, volunteering their time and effort in the lead up to the round, and on match-day and the result was over-whelming. Despite the unseasonably warm weather beanies donned the heads of players, officials and supporters. As a collective the total amount raised for RCD Foundation was \$25,120.89, significantly increasing the league-wide contribution to the charity which had in past years been restricted to the Lightning Carnivals.

On behalf of the league, congratulations to Liz Dawes (Executive Director) and Cherie Dear (Events & Campaign Manager) on an amazing year, and thank you to the bands of RCD Foundation volunteers for their tireless work. The league will continue the exciting collaboration with the charity in 2018.

Community Stakeholders

Finally, thank you to all key football stakeholders in the region, which includes the AFL, AFL Victoria, AusKick centres, senior competitions (VAFA & SFNL) and their member clubs, TAC Cup clubs, local councils, State & Federal MP's, St Kilda FC and Melbourne FC. The SMJFL look forward to continuing the close work and project collaborations with its key stakeholders in 2018.

PILLAR 3 -STAKEHOLDERS & COMMUNICATION (CONT'D)

FACILITIES & INFRASTRUCTURE

The SMJFL continues to work with clubs, nine local government councils, Southern Football Netball League (SFNL), Victorian Amateur Football Association (VAFA), AFL Victoria and other stakeholders as part of the Inner Southern Region Australian Rules Football Facilities Strategy Project.

In October 2016, the SMJFL Board approved \$50K to be released from the cash reserves to fund the strategy. In December 2016, that extended to the ten Local Government Councils represented within SMJFL and SFNL areas, with nine coming investing in the project, reducing SMJFL's initial funding from \$50,000 to \$13,000.

The SMJFL is also heavily involved with St Kilda FC in the Moorabbin Redevelopment Project, project manager Jon Couston and the project control group, to realise the original vision of a new Community Pavillion at the Linton Street site. Due to St Kilda FC's considerable investment, and the building of their training and administration facilities, the SMJFL and community league's return to the heartland in Moorabbin is due between October 2018 and January 2019, with building progressing well on the new site.

MARKETING, EVENTS & COMMUNICATIONS

Marketing & Communications

The league extended its e-Newsletter offering to a monthly frequency. Delivering feature stories, member offers and exciting league news directly to members' inboxes.

A major marketing & communication initiative - the 'Play Fair' Campaign - was first

announced at the Season Launch in April, clear signage for all SMJFL venues was produced and distributed to clubs in May in preparation for 'Play Fair' Round in Round 6. This aligned the message of respect and fairness with AFL Indigenous Round. To support clubs in spreading the message of 'Play Fair' resources included team activities, that could be conducted at training or player education sessions. Clubs and their players, officials and supporters embraced the message delivered by via a number of SMJFL media platforms and it was fantastic to see the reaction on social media.

Events

The league's off-field functions were taken to the next level in 2018. A number of new events allowed members, clubs administrators and volunteers access to learning opportunities, chances to strengthen connections within the league, and enjoy the fun that is junior football.

Through close partnerships with Melbourne FC and St Kilda FC, the league was presented with a plethora of exciting guests at official functions, and the ability share top-level insights with attendees. Thanks to special guests who joined us throughout the year; from Melbourne FC - Russell Robertson, Mel Hickey, Elise O'Dea and Angus Brayshaw; and organised by St Kilda FC - Ben McGlynn, Ameet Baines, Luke Ball, and player appearances including Josh Bruce, Jimmy Webster, Sam Gilbert, Hugh Goddard and Maverick Weller.

The partnerships with both AFL clubs have been extremely rewarding, with a notable highlight in St Kilda's official launch as Community Partner in their Round 1 game against Melbourne at Etihad Stadium resulting in the

SMJFL logo being displayed on all screens throughout the venue with the message of 'Better Together' circulated to all in attendance.

Further thanks to Justin Schmitt (AFL Umpire) for appearances as SMJFL Umpire Ambassador, and Steven Reaper (CEO AFL Victoria) for his recent address at the Presidents' & Sponsors' Dinner. Our events would not be the same without the time and effort invested by our special guests in sharing their experiences with the people of the league.

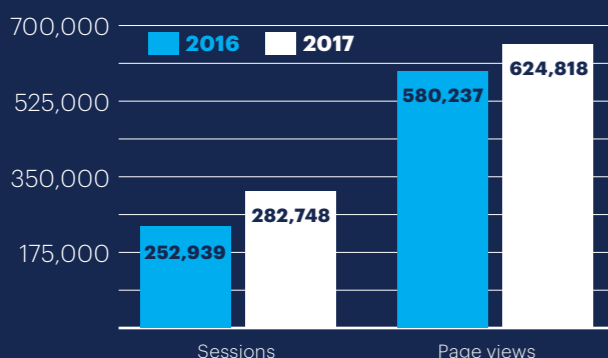

Some highlights of the 2017 event calendar included:

- Pre-Season Coaches' Mixer, Presidents' Forum, Secretaries' Night and Season Launch, providing the launch-pad in preparation for season 2017
- Media Day - a new event held during the April school holidays where players were invited to be a part of producing promotional content for the 2017 season. The league looks forward to developing this event in 2018.
- SMJFL & AFL Victoria Presentation Night - the annual showpiece, a spectacular collaborative event that celebrates the individual achievements of the best & fairest players and the dedication of volunteer coaches, Auskick coordinators, club administrators and club volunteer umpires
- SMJFL Umpires' Presentation Night - an event similar in nature, a night of recognition the high achievers and committed individuals part of our umpiring fraternity
- 2017 Presidents' & Sponsors' Dinner - A refreshing of the event's typical format in 2017 allowed a more relaxed environment for networking and strengthening of connections between clubs, sponsors and stakeholders.

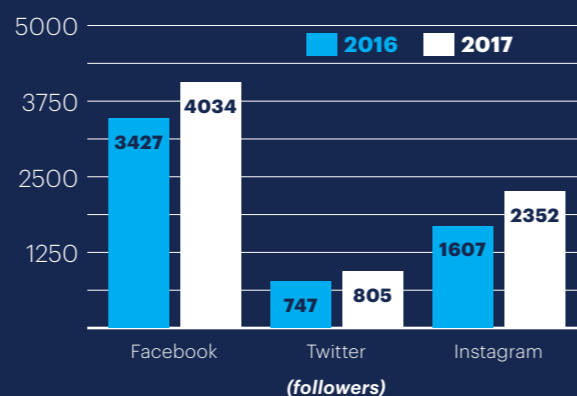

MEDIA

(WEBSITE & SOCIAL MEDIA)

WEBSITE TRAFFIC GROWTH

SOCIAL MEDIA CHANNELS GROWTH

The 2017 season has proved a monumental one for the South Metro Junior Football League (SMJFL) in the digital landscape.

Kicking off in April, with a new Media Coordinator appointment, the league strived to enhance communications and media exposure of the SMJFL, while working closely with all 26 member clubs to ensure every outstanding story was uncovered and promoted to the Inner-Southern Region football community.

Highlights from the 2017 season include:

- The all-encompassing coverage of the AFL Victoria Metropolitan Junior Championships (Interleague) with our South Metro Stars players and coaches given a chance to express themselves behind the camera for the very first time;
- The creation and promotion of content for Monash Leadership Round and Connor's Beanie Round for the league's charity partner the

Robert Connor Dawes Foundation (RCD Foundation);

- The chance to cover the AFLW Draft which resulted in SMJFL football ambassador Isabel Hunting-ton being selected with the first pick to Western Bulldogs FC;
- The opportunity to learn more about the Jewish football community as part of a series of interviews with some of our inspiring young Jewish female footballers and their mentor; and,
- The well-received promotion of the league's partners across digital platforms, including Monash University, St Kilda Football Club, Sherrin Australia, Top Notch Trophies and others.

A common theme across the league's digital strategy included the introduction of video content to the website and social media channels in 2017, which no doubt had a profound impact on the follower and reach growth experienced this season. As a means for both telling a story and building a connection, video has been a powerful medium for the league and its partners. Similarly video has had an impact in the

wider sports media landscape, with many elite sporting organisations prioritising it over traditional forms of media such as websites and other orthodox graphic or print marketing methods.

Following the 2017 season, the SMJFL's main social media channels' (Facebook, Twitter and Instagram) audience base (followings) has grown by an average of 23.3% in just six months, with Instagram in particular experiencing exciting growth totalling almost 50%.

This kind of growth has acted as an attractive proposition for sponsors looking for return of investment, with digital and social media offerings now being made for all sponsors and partners to tap into the SMJFL's online presence.

In addition to social media, the league's website continues to be a leader among the Victorian metropolitan leagues, with an almost 10% growth in website traffic (sessions & page views) across season 2017. The league is also excited about the potential that a redeveloped website may hold, with a refresh planned for the off-season.

In 2012 the Victorian Government made an inquiry into the handling of child abuse allegations and following the recommendations from the Betrayal of Trust report they created the Child Safe Standards (the standards) for organisations to implement. As of 1 January 2017, the Standards were effective and the South Metro Junior Football League (SMJFL) and all its affiliated clubs were required to implement a number of measures to ensure compliance with these standards and to instil a culture of child safety into the organisation. The Standards apply to all personnel in the organisation from the leagues' board, staff, students on placement, and contractors, to all paid club staff, committees, and volunteers.

The start of the year saw the SMJFL implement the requirement for each club to appoint a Child Safety Officer (CSO) to take on the implementation of the standards at a club level. The role of the Child Safety Officer (CSO) is to give players, clubs and parents a known point of contact for matters regarding child safety, and to give clubs a liaison for training and information regarding the issue.

In March, the SMJFL appointed a Child Safety Coordinator to implement the standards across the league and to offer support, direction, education and assistance to clubs for the understanding of the standards, and the implementation of them at a club level to ensure they are embedded the clubs' culture.

Standard 4 requires all volunteers to hold a valid Working with Children Check (WWCC), which posed a huge task for club CSO's to implement and ensure all volunteers obtained a WWCC and was uploaded onto Everproof (formerly BlueQ) to be verified.

Utilising the partnership that the SMJFL has with Everproof, the league established an online platform for which clubs and their volunteers uploaded their WWCC details and other qualifications to be verified. A focus of the 2017 season for Club CSO's was ensuring volunteers were compliant in line with the leagues and in August there were 3,229 volunteers compliant with a valid WWCC, out of a total 3,505 volunteers entered on Everproof. This indicated that across the board, the SMJFL clubs were 92% compliant at the end of the 2017 Home and Away Season. A special mention to Ashwood JFC for being the first club to have 100% compliance for all individuals on Everproof with their qualifications uploaded, verified and all allocated to a team.

The focus of all CSO's on Standard 4 and the requirement of a valid WWCC was apparent across the board and although it was a huge task there were also some developments in the implementation of other standards.

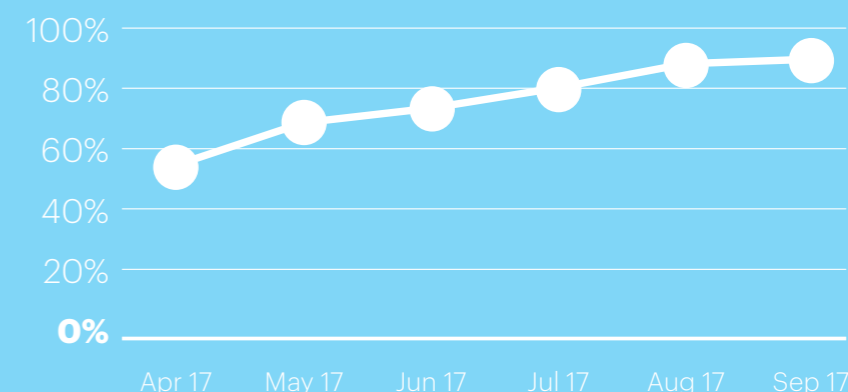

A Child Safety Review Survey was developed and distributed to CSO's at the end of September

as a tool for clubs to review their progress with the standards, as well as provide a direction for the league on areas of focus for 2018. Results from the review provided confirmation that clubs were taking initiative and creating a child safe culture by implementing the standards and identifying areas of clubs that needed focus. The SMJFL and its clubs identified Standard 7 as needing assistance and as a focus for 2018, it has influenced the development of resources the league has created for clubs.

The SMJFL has since created resource packs for CSO's and clubs that collates all the resources and templates that have already been created plus new inclusions; handbooks, tools, templates, resources, information sheet for parents, videos, posters, initiatives, and most importantly the presentations for new CSO's as well as a PowerPoint that can be circulated to all volunteers at the clubs by the beginning of 2018.

The SMJFL thanks clubs and CSO's who have taken all information on board with minimal fuss leading to a child safe compliant environment for all.

% of individuals compliant with WWCC (uploaded & verified on Everproof)

REPRESENTATIVE FOOTBALL (INTERLEAGUE)

2017 was another exciting year for the emerging talent in the South Metro Junior Football League (SMJFL), with almost 200 young male and female South Metro Stars representing the league with distinction.

This year's campaign also saw significant growth in the program, with two girls teams fielded in the U15's of the AFL Victoria Metro Junior Championships (AFLVIC MJC), an Under 12 Girls Intraleague team for the very first time and compulsory Auskick visits integrated into the program allowing players to give back to their founding centres.

AFL Victoria Metropolitan Junior Championships

The AFLVIC MJC is a competition run in metropolitan Melbourne whereby leagues test their talented players in representative teams against other metropolitan leagues. The format is three games followed by a final for the top two in the pool. The 2017 competition proved fruitful for the SMJFL, with three of six teams making Grand Finals resulting in two victories. Overall, 24 of 26 member clubs were represented in the program.

Under 14 Boys

The successes of their 2016 program gave an insight into what this group was capable of in 2017. The entire squad were unrelenting in training and those who were selected to represent the league in Pool A and B of Division 1 competition went through the minor games undefeated, earning

a spot in both Grand Finals.

Grand Final day was exciting for the SMJFL, coming out on top in both games with the boys celebrating their victories by 35 (Pool A) and 41 (Pool B) points respectively. Chris White, along with fellow coaches Darrin Edwards, Nick Moodie and Ryan Fogarty were outstanding in guiding the boys to a new level in 2017.

Under 15 Girls

For the first time, two Under 15 Girls teams were fielded in Pool A and B of the AFLVIC MJC. The squad that presented in February for training had grown from 26 in 2016 to 72 in 2017, with the impact of AFL Women's immediate and profound. Vanessa Lewicki combined her AFLW development coaching for Carlton with leading the coaching panel of this group.

The Pool B team had two tight contests against Eastern Football League 2 (EFL) and Yarra Junior Football League (YJFL 2) in their first two fixtures of the regular season, with both games decided by two and 10 points to the opponents respectively. They were mismatched in the final fixture against EFL 1, who had dominant wins over all teams in the Pool B division.

The Pool A girls enjoyed a comprehensive victory over South East Juniors (SEJ) in their first outing, followed by an agonising three-point loss to Northern Football League (NFL) after leading most of the game. The final regular season fixture produced perhaps

the girls greatest performance despite the result against YJFL 1.

Assisted by a coaching team supporting Vanessa in Tash Bennett, Taylah Ercolano, Chelsea Bowen and 2017 AFLW No.1 draft pick Isabel Huntington, the girls had fun and improved their footy, while the vast majority experienced representative footy for the first time.

Under 15 Boys

Much of the team had been together since Under 13s and so knew what was expected of them, making for a tight-knit group from the outset. Under the coaching tutelage of Ray Breed, the two teams represented SMJFL with great heart and desire.

With Breed and assistant Brad Atholwood at the helm, the Pool A team endured a heartbreaking loss to EFL in their first fixture, were outclassed by YJFL in game two while finishing their campaign strongly with a win over NFL.

Lead by coaches Nick Murray and Jarrod Crosby, our Pool B team began with a reversal of fortune in winning a tight first contest against EFL, followed by comprehensive wins over YJFL and NFL to sit top of the group and secure a Grand Final birth against YJFL.

Our 15's did not enjoy the same elation as our Under 14's, with YJFL too quick out of the blocks despite our South Metro Stars working their way back into the game a number of times.

Under 13 Boys Interleague

Over the Queen's Birthday long weekend, an extraordinary day of football was held with the Under 13 Boys talent program. Four games of football with an aggregate margin of three points (one draw and three games of 1-point difference).

The group had been in training since February for the opportunity to compete against YJFL (Division 1) and YJFL & SEJ (Division 2) in a round-robin format.

This group was headed by John Burke, supported by Stephen Zayler, Marc Lewis and Buddy Spohn, who all do an amazing job at establishing the right culture and having the boys understand the step up in level of behaviours and values required for representative football.

Under 12 Community Cup

The inaugural Community Cup was introduced as an opportunity for our Under 12 nominated players to participate in curtain-raiser matches to SMJFL Grand Finals in the colours of the AFL club partners, the Melbourne and St Kilda Football Clubs. The 24 clubs

fielding Under 12 teams were invited to nominate two players each, giving us a selection pool of 48 players to divide into two teams across both boys and girls. Both squads underwent a five-week development program with our experienced Interleague coaching team, headed by John Burke for the boys and Tash Bennett for the girls. The training culminated in 60-minute fixtures, both games were tight and most importantly, allowed an early view of the exciting talent to come through the Interleague program in the years to come.

Under 17 Boys Colts

The annual Under 17 Colts fixture against YJFL brought together 35 players nominated by their club to represent the league. The team was truly representative of the whole league, with all clubs having at least one player in the squad of 35. The team bonded well under the coaching of Jarrod Crosby in the four weeks leading up to the game, with the final team settled on after a number of selection headaches.

The game, as has proven the norm over the years, was played in great spirit with tremendous skill and teamwork on show. The tight nature of SMJFL play was demonstrated in superb cohesion that culminated in strong leads at quarter and half time, with a narrow last quarter advantage. YJFL proved full of running in the last quarter and the tackling pressure of the SMJFL in the earlier quarters had taken its toll, with the boys overrun in the final term.

It was a great effort from the group.

Victorian Representatives

We would like to recognise five South Metro Stars who represented Victoria in the Under 15 State Schools Victoria National championships in 2017. Both teams (Boys & Girls) went on to record Grand Final victories in Perth.

U15 Girls - Nayely Borg (Port Melbourne), Sarah Hartwig (St Peters) and Chloe Sultry (St Bedes/Mentone)

U15 Boys - Darby Hipwell (East Sandringham) and Justin Davies (Mordialloc Braeside)

NOTES TO THE FINANCIAL STATEMENTS For The Year Ended 31 October 2017

1. SIGNIFICANT ACCOUNTING POLICIES

a. Incorporation

South Metro Junior Football League Inc. was incorporated on 5 January 2009.

b. Basis of preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board and the Associations Incorporations Reform Act 2012.

The financial report of South Metro Junior Football League Inc. as an individual entity complies with Australian Equivalents to International Financial Reporting Standards. Compliance with Australian Equivalents to International Financial Reporting Standards ensures that the financial statements and notes comply with International Financial Reporting Standards (IFRS).

The financial report has been prepared under the historical cost convention modified by revaluations of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

The following is a summary of the material accounting policies adopted by the league in the preparation and presentation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

c. Accounting policies

i. Revenue

Affiliation fees and sponsorships are recognised as revenue on a time proportional basis.

Revenue from the sale of goods, is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Risks and rewards of ownership are considered as having passed to the buyer upon the delivery of goods to customers.

Revenues from the provision of services are recognised upon delivery of the service.

Grant revenue is recognised in the income statement when it is controlled. When there are conditions attached to grant revenue relating to the use of those grants for specific purposes it is recognised in the balance sheet as a liability until such conditions are met or services provided.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

ii. Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks and other short-term highly liquid investments with original maturities of three months or less.

iii. Inventories

Inventories are measured at the lower of cost and net realisable value.

iv. Financial instruments

Receivables

Trade and other receivables when initially recognised are measured at fair value, which normally approximates their nominal value. Subsequently they are measured at amortised cost using the effective interest rate method.

Payables

Trade and other accounts payable are recognised when the association becomes obliged to make future payments resulting from the purchase of goods or services. When initially recognised they are measured at fair value, which normally approximates their nominal value. Subsequently they are measured at amortised cost.

v. Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Depreciation

The depreciable amount of items of property, plant and equipment are depreciated on a straight line basis over their estimated useful lives commencing from the time the asset is held ready for use.

The assets' residual values and useful lives of assets are reviewed at each balance sheet date and adjusted if appropriate.

The following estimated useful lives are used in the calculation of depreciation:

CLASS OF ASSET	USEFUL LIFE
Furniture and Equipment	10
Football Equipment	10
Computer equipment	3

vi. Employee benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period.

Employee benefits that are expected to be

NOTES TO THE FINANCIAL STATEMENTS For The Year Ended 31 October 2017

settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

vii. Provisions

Provisions are recognised when the association has a legal or constructive obligation as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions recognised represent the best

estimate of the amount required to settle the obligation at the end of the reporting period.

viii. Income tax

No Provision for Income Tax has been raised, as the entity is exempt from Income Tax under Division 50 of the Income Tax Assessment Act 1997.

ix. Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables in the statement of financial position are shown inclusive of GST.

2. PROFIT FOR THE YEAR

Profit for the year has been determined after:

a. Crediting as revenue

	NOTE	2017 \$	2016 \$

9. NON CURRENT LIABILITIES

	NOTE	2017 \$	2016 \$
Provision for employee entitlements		9,208	6,212
Moorabbin Oval Redevelopment Levy		16,280	16,280
		25,488	22,492

10. CASH FLOW

a. Reconciliation of cash

Cash at the end of the financial year shown in the statement of cash flows is reconciled to the related items in the statement of financial position as follows:

	NOTE	2017 \$	2016 \$
Cash at bank		808,956	754,952

For the purpose of the statement of cash flows, cash includes cash on hand and in banks net of outstanding overdrafts

FINANCIALS

NOTES TO THE FINANCIAL STATEMENTS For The Year Ended 31 October 2017

b. Reconciliation of cash flow from operating activities

	NOTE	2017 \$	2016 \$
Profit (loss) from operations		56,724	88,397
NON-CASH FLOW ITEMS IN PROFIT			
Depreciation		2346	546
Doubtful debt provision		0	0
CHANGES IN ASSETS AND LIABILITIES			
(Increase) decrease in receivables		29,678	-50,067
(Increase) decrease in inventories		-15,671	0
Increase (decrease) in payables		-23,429	48,161
Increase (decrease) in provisions		4,356	46,979
CASH FLOW FROM OPERATING ACTIVITIES		54,004	134,017
CASH FLOWS FROM INVESTMENT ACTIVITIES		0	0

11. FINANCIAL RISK MANAGEMENT

The leagues financial instruments consist mainly of deposits with banks and accounts receivable and payable.

The purpose of these financial instruments is to finance the leagues operations

The league does not have any derivative financial instruments

a. Interest rate risk

FINANCIAL INSTRUMENTS	FLOATING INTEREST RATE		NON-INTEREST BEARING		TOTAL CARRYING AMOUNT		AVERAGE INTEREST RATE	
	2017	2016	2017	2016	2017	2016	2017	2016
Assets								
Cash	779,120	658,320	29,836	96,632	808,956	754,952	1.02%	1.22%
Receivables and Prepayments			23,517	53,195	23,517	53,195		
Total financial assets	779,120	658,320	53,353	149,827	832,473	808,147		
Liabilities								
Payables			83,456	106,885	83,456	106,885		
Total financial liabilities			83,456	106,885	83,456	106,885		
Net financial assets	779,120	658,320	-30,103	42,942	749,017	701,262		

The leagues exposure to interest rate risk and the effective interest rate of financial assets and financial liabilities both recognized and unrecognized at balance date are as follows:

b. Net fair values

The aggregate net fair values of financial assets and liabilities approximate their carrying amounts.

c. Credit risk

The maximum exposure to credit risk at balance date in respect of each class of financial assets is the carrying value of those assets

NOTES TO THE FINANCIAL STATEMENTS For The Year Ended 31 October 2017

12. RELATED PARTY TRANSACTIONS

Transactions between related parties are on normal commercial terms and conditions that are no more favourable than those available to other parties unless otherwise stated

13. COMMITMENTS ARISING FROM THE MOORABBIN RESERVE REDEVELOPMENT (MRR)

The South Metro Junior Football League Inc. (SMJFL) is one of the stakeholder parties to arrangements for the development of state-of-the-art sports training, administration and match facilities at the Moorabbin Reserve, Linton Street, Moorabbin.

Under these arrangements SMJFL has agreed to contribute \$150,000 (plus GST) to the cost of the development and will in turn receive rights for the use of an area of the proposed new pavilion for an administrative office as well as rights of access to various other facilities at the premises.

In preparation for the commencement of works it has been necessary for SMJFL as well as The Southern Football Netball League (SFNL) to vacate their previous administrative offices at the Moorabbin Reserve.

On 1 February 2016 SMJFL and SFNL jointly entered into a 2 year lease (with a further 6 months option) of premises in Keys Road, Moorabbin to provide temporary administrative offices during the development period at an annual rental of \$60,000 (i.e. \$120,000 commitment). An allocation of \$100,000 from the budget for the development of the Moorabbin Reserve has been made towards the cost of relocating SMJFL and SFNL for up to 24 months and the funding of the monthly rental of the Keys Road Premises (net of SMJFL and SFNL annual combined contribution of \$10,000, i.e. \$5000 each) is being met from this.

Additional funds from the development budget were also allocated and applied to cover moving and like costs.

In addition to the commitment outlined above and consequent upon construction delays incurred at Moorabbin Reserve, the six (6) month lease renewal option of the temporary Keys Road, Moorabbin premises has been exercised to 31 July 2018 at the current rental of \$5000 per month.

Beyond this and to address the MRR project's revised practical completion date of mid-November 2018, a month-by-month lease extension of the temporary premises has also been further agreed for a four month period to 30 November 2018 at a revised rental of \$6500 per month.

These additional Keys Road, Moorabbin rental commitments, from 1 March 2018 to 30 November 2018, at a total of \$56,000, are covered under the MRR project budget.

MRR Project Steering Committee Meeting Number 20 of 18 May 2017, Decision No. 74 refers.

STATEMENT BY MEMBERS OF THE COMMITTEE For The Year Ended 31 October 2017

Annual statements give a true and fair view of financial performance and position of incorporated association

We, Lewis Bearman and Matt Webb being Members of the Board of the South Metro Junior Football League Inc., certify that -

The statements attached to this certificate give a true and fair view of the financial performance and position of the South Metro Junior Football League Inc. during and at the end of the financial year of the association ending on 31 October 2017.

Signed:

Lewis Bearman - Director
Dated: 23-Nov-17

Matt Webb - Director
Dated: 23-Nov-17

INDEPENDENT AUDITOR'S REPORT to the Members of South Metro Junior Football League Inc.

We have audited the accompanying financial report of South Metro Junior Football League Inc. The financial report comprises the Statement of Financial Position as at 31 October 2017, and the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year ended on that date, a summary of significant Accounting Policies and other explanatory notes.

Boards' Responsibility for the Financial Report

The Board of the League is responsible for the preparation and fair presentation of the financial report in accordance with the Leagues Rules, Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporation Reform Act 2012. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

In note 1, the Committee also state, in accordance with Accounting Standard AASB 101, Presentation of Financial Statements, that compliance with the Australian equivalents to International Financial Reporting Standards ensures that the financial report, comprising the financial statements and notes, complies with International Financial Reporting Standards

Auditors Responsibility

Our responsibility is to express an opinion on the financial report based on our audit work. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement

An Audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

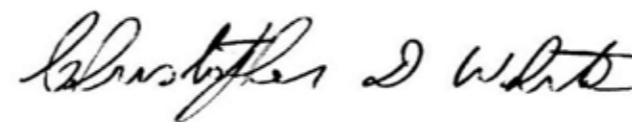

INDEPENDENCE

In conducting our audit we complied with applicable independence requirements of Australian professional ethical pronouncements.

AUDIT OPINION

In our opinion, the financial report of the South Metro Junior Football League Inc., is in accordance with the Associations Incorporation Reform Act 2012, including

- I. giving a true and fair view of the Association's financial position as at 31 October 2017 and of its performance for the period ended on that date, and
- II. complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporation Reform Act 2012.
