FROM THE PRESIDENT

NEW CHALLENGES IN 2017

With the initial season of the AFL women's competition kicking off in February, the YJFL female competitions, which had been growing steadily over the previous six seasons, soared to new levels in 2017. The growth of the YJFL female teams has been incredible but increased from 52 in 2016 to 83 in 2017. There were now competitions in seven different age groups as girls of all ages realised that there was an opportunity to play AFL football as seen on television in the AFLW.

FINALS

Another successful finals series was conducted over the last three weekends in August. The League is very appreciative of the support received from the clubs who nominated to host finals as it becomes more difficult to find host clubs for finals each year. As always, the clubs who hosted did a great job of presenting their venues in the best possible way.

Twenty eight clubs participated in finals and on Grand Final Day on 27 August, twenty three clubs were represented across the 38 competitions. Clubs who won more three or more premierships were Kew Comets (5), Bulleen Templestowe (3), Greythorn (3) and Whitehorse Colts (3). It's a great experience to play in finals so congratulations to all the players who had that opportunity.

REPRESENTATIVE FOOTBALL

The League aims to provide an opportunity for as many players as possible to play representative football, and 2017 saw the most representative matches in the one season in the history of the YJFL.

AFL Victoria Metropolitan Junior Championships

2017 was another very successful year for the YJFL Championships Program. The League entered two teams in each of the Under 14 Boys, Under 15 Boys and Under 15 Girls Championship competitions. The boys Under 15 teams were both undefeated throughout the championships and both had comprehensive victories in their Grand Finals against YJFL (Division 1) and SMJFL (Division 2). Both Under 14 teams also made the Grand Finals but both went down to South Metro JFL teams - never the less a terrific effort. The Under 15 Girls Division 1 team also went through to the Grand Final where they were beaten by the Northern Football League team, who they had beaten earlier in the Championships, in a very tough game. The Under 15 Girls Division 2 team was very competitive and had one win out of their

three games. Overall, it was another very successful Championship season for the YJFL.

The contribution by our coaches Rick Daniels, Jeremy Dickson, Joe Mezgec, Mike Casabene, Jeff Hooper and Gabby Mahoney, and all of their many assistants, was again of a very high standard and ensured the YJFL teams were all extremely competitive and well coached, and I would like to thank them all sincerely for the hard work put in beginning with the Field days in February and through the training and matches from early April to early July.

Under 13 Interleague Carnival

This year's carnival was played at Narre Warren North where the host League was the South East Juniors. It was a great venue and the day was very well organised by the SEJ. In the Girls event the only two teams entered were both from the YJFL, so our two teams played a representative game which was of a very high standard. After watching the match comments from the other Leagues were that they would definitely be entering a team next year (which will be at Bulleen Park) so that we will have our first fully competitive girls Under 13 Interleague.

In the Under 13 Division 1 boys competition there were two teams entered - the South Metro Junior Football League and the Yarra Junior Football League. Again, this was a high standard match with the YJFL running out the eventual winner by a solitary point. In the Under 13 Division 2 Boys competition there were three teams, South Metro Junior Football League, South East Juniors and the YJFL. There were three games played and the results were truly remarkable. In the first match the SEJ triumphed over the YJFL by one point. The second match was between SMJFL and YJFL and the result was another one point win this time by the YJFL. In the final match, there was a draw between SEJ and SMJFL which meant the SEJ won the Shield with a win and a draw, ahead of the YJFL which had a one point win and a one point loss.

Many thanks go to the coaches involved - Darren Moulder, Jono Black, Julia Haleseh Russo and Ameesha Gill, and all their assistants, who put in a tremendous amount of time and effort over a ten week period to ensure a terrific experience was had by all the participants.

Under 16 Representative Teams versus AFL Goulburn Murray Region at Shepparton

The previous two years had seen an exchange of football trips with the North East Metropolitan Junior Football Association in Adelaide. However, with the NEMJFA being taken over by

FROM THE PRESIDENT

the South Australian National Football League these trips were no longer available, so the League cast it's net wide and found a Region in Victoria willing to play representative matches in Under 16 Boys and Girls – The AFL Goulburn Murray Region.

The matches were organised to be held at Shepparton on 7 July 2017. A busload of Under 16 boys and girls headed off from Bulleen Park in the early afternoon and arrived in Shepparton in time for the first of the two matches which involved the girls. The Boys match followed soon after. The girls were outclassed in their game by the Goulburn Murray Girls, while the boys had a comprehensive victory. Arriving back in Melbourne late in the evening, all agreed it had been a very enjoyable and memorable day.

Colts Team of the Year Match

The annual Colts Team of the Year match against South Metro Junior Football League was held at Bulleen Park two Sundays after the Grand Finals. Despite a very short preparation and a few injuries, the YJFL team, under Coach of the Year Dale Mayne from Banyule, were very keen to show their wares. After an even first half in which the Yarra boys got to know each other, they turned it on in the second half to run out comfortable winners.

SUMMER DEVELOPMENT PROGRAMS

In 2017, for the fourth year, the YJFL has offered skills programs for the younger age groups of the League during the September to November period. This season the programs were offered for Under 10, Under 11, Under 12 and Under 13 boys; and Under 13 and Over 13 girls. A total of 325 players have undertaken the skills training with over 200 boys and over 110 girls partaking. The aim of the program is to provide YJFL players an opportunity to develop their skills regardless of their abilities.

LEAGUE PATRON

After seventeen years as YJFL Patron, Mr David Parkin OAM has retired from this position. David has been a great support to the League throughout this period, providing guidance to Presidents and the Board, imparting his knowledge and experience to each year's crop of Under 8 and Under 9 coaches and speaking at various league functions. David was made a Life Member of the League in 2016 and the League will always be grateful for his contribution. We look forward to an exciting announcement of a new Patron in the very near future.

UMPIRES

For the first time over 400 Umpires registered with the YJFL in 2017. Umpires Manager David Hannan together with his team of coaches and administrators – John Taylor, Julian Murphy, Russell Morris, Angus McIlroy, Patrick Cincotta, Isabella Farchione, Alex Christie, Lachlan Streat and Alex Morris – have again ensured that every week the required games are covered and young umpires are being developed appropriately, so thanks to them for their hard work. Many thanks go to the Ashburton Junior Football Club for hosting umpire training at Burwood Reserve on Thursday nights throughout the season. The numbers there have grown to be the equal of the number of umpires who train at Bulleen Park on Wednesday nights.

The Umpires Academies at three schools continued to prosper in 2017 with Damien Hannan and Angus McIlroy at Camberwell Grammar School, Patrick Cincotta at Genazzano College and Tom O'Connor in his first year at Ivanhoe Grammar School all doing great work in developing young umpires, many of who go on to umpire in the YJFL or elsewhere. Many thanks to those young people for their contribution.

PRESENTATION NIGHT

On the Tuesday before the Grand Finals the Annual Presentation Night was again held at The Centre Ivanhoe with 1500 people attending over the two sessions. The captains of the representative teams called the top vote getters onto the stage and then announced the winners and place getters. The winner of the Northern Knights Rising Star Award (male) was Jaden

Collins of St Marys and (female) Ellie McKenzie of Fitzroy and the winner of the Oakleigh Chargers Player of the Year was Sam Tucker from Kew Rovers. The Youth Girls Team of the Year and the Colts Team of the Year were announced and each player presented with a framed copy of the team. A special thanks goes to Collingwood players Chris Maine, Darcy Moore and Henry Schade for helping out with the presentations.

Congratulations to all of the award winners on your outstanding seasons.

GRAND FINAL BREAKFAST

It was back to the Manningham Club/Hotel for this year's YJFL Grand Final Breakfast. For the first time in YJFL history the focus was taken away from the Colts Grand Finals with the Breakfast being focussed on celebrating all the Grand finals across all the age groups.

FROM THE PRESIDENT

With nearly 270 people in attendance this was the biggest Grand Final breakfast ever, and it was great to see everyone supporting the new format. Special guest speaker was Luke Power, formerly of the Brisbane Lions, and his interview with Under 15 Representative Captain Will Phillips was a highlight of the morning.

CONDUCT

As is the case every year, conduct across the League was generally very good, with a few exceptions. Unfortunately on a small number of occasions people forget that we are providing a sport for young people to enjoy and develop their skills. In 2017 a new system of automatic penalties offered by umpires for on field discretions was implemented with the result that there were eighteen reports of players of which only three did not take the prescribed penalty and were sent to the Tribunal. Two of those who opted for the Tribunal appearance were subsequently found not guilty. The number of umpire reports of players in 2017 was similar to the last three years (17 in 2014, 16 in 2015 and 12 in 2016) despite the change in reporting procedures this season. There were four reports of officials by umpires and all appeared at the Independent Tribunal and were all found guilty and received penalties.

There were four hearings by the Conduct Investigation Tribunal who found seven players and five officials guilty of various offences. Two players appealed with one successful in having his penalty reduced from three matches to one. Two clubs are on Bonds until the end of the 2018 season as a result of these investigations.

BUSINESS PARTNERS

The League is grateful to the following business partners who continued to support the League in 2017:

- Global Sports, Blue Gum and TLA Worldwide as the YJFL's three licenced apparel providers;
- A Grade Club Supplies and Sherrin for the provision of footballs and other equipment;
- SEDA Group for their ongoing support;
- Colbrow Medics for their support and the provision of medics at YJFL events;
- Complete Sports Management for their provision of the YJFL App which covered the Colts 1, Under 15 Div 1 and Youth Girls competitions; and

- Photography Matters for their photography and donation of the Colts Team of the Year framed teams.

YOUTH COMMITTEE

The Youth Committee of 2017 consisted of Keegan Vickers (Parkside), Shenae Dixon (Bulleen Templestowe) Jack Hart (Fitzroy) and Leo Garrick (Warrandyte).

Early in the season they decided to raise this year for Kids Under Cover which aims to help homeless youth. The Committee ran a BBQ at the YJFL's Under 8 and Under 9 day, shook collection tins, ran raffles at the League Presentation Night and were assisted by some clubs particularly Parkside and Fitzroy, who raised funds at their own club functions.

As a result of their efforts the Youth Committee was able to hand over a cheque for \$6000 to Kids Under Cover. The hard work and commitment shown by the group was outstanding and the Board is very proud of them.

VALE

It is with sadness that we note the passing of John Tasker in October. John was a Life member of the League, mainly for his contribution to the former Doncaster and District Junior Football League, but was also a valued Tribunal member over many years with the YJFL. On behalf of the Board of the YJFL I would like to extend our condolences to John's wife Lois, son Rick (formerly a YJFL umpire of many years) and the Tasker family.

THANK YOU

This brings me to the end of an era as I will be retiring at the Annual General Meeting this year as President of this fantastic organisation. I have been fortunate to have served on the board for the past 21 years including the past 8 years as President. To have been part of the massive growth of the league has been immensely rewarding. There are many, many people who I would like to acknowledge and I am fearful of omitting someone if I start naming people. However, my two past Presidents in Steve Stevens and Bob Rennison cannot go unnamed, together with our retiring League Patron David Parkin. Their support and wisdom has been invaluable.

To my fellow board members over the past 21 years...you have all made invaluable contributions which has eased the burden of my

FROM THE PRESIDENT

role as President. The long standing current Board members such as Lesley Langley, Ian Gray and Jeff Hooper - always there, always listening, always advising, always willing to roll up their sleeves and get their hands dirty. Also to our other current Board members in Alan Vickery, Tim Murray and Peter Norris who's level of professionalism and enthusiasm has not gone unnoticed.

I have enjoyed a very close working relationship with various executives of AFL Victoria over a long period of time and it would be remiss of me not to thank Michael Daniher, whom I have known for twenty-seven years, Peter McDougall, Brett Connell and Darryl Collings plus numerous other AFL staff who have been most helpful along the way.

To our Finance Manager, Michelle Pantano; Umpires Manager, David Hannan; and Catering Manager, Judith Barr and all your support staff - thank you for your incredible contributions.

To our Tribunal and Independent Hearing Committee leaders in Mat Matheou and Wally Tyrell and their support crew thank you for guiding the League through what can be difficult circumstances at times.

To Joe Mezgec and all the coaches involved in the football programs of the League, thank you for the huge efforts in educating our young members about our great game of Aussie Rules Football.

To Peter Nicholls, Michael Wigg, Shaun Dowling, Joe Crabtree, Olivia Atwell and all those who worked diligently for the League, my sincere appreciation for your efforts and support over a long period of time. Peter Nicholls and I have worked together in junior football for 27 years and his commitment to our journey has been incredible. Peter has been my left arm and right arm on many occasions, and has taken on board all of the wild ideas I have thrown at him along the way.

The success of the League is hugely dependent upon the significant contributions of all our members clubs and the numerous volunteers involved at all levels. You should all be immensely proud of what has been achieved over the past 21 years. Thank you all for your undivided cooperation and support.

To the incredible youth of the League you make us very proud every time we see you both on and off the footy field. The introduction of the Youth movement some 6 years ago has shown just how

much our young members care about the community and the needs of their peers....I hope that the Youth continue to lead the way as they grow to become the future leaders of our country.

I am personally very proud of the achievements of everyone involved with the league over the past 21 years and none of my contributions would have been possible without the full support of my wife Penny and our four sons.

As I approach my last couple of weeks as President there is a massive degree of emotion running through my mind when I reflect on all the fantastic people with whom I have made contact over 21 years. I am looking forward to a more relaxed lifestyle going forward.

For those of you who attended the Presentation Night or Grand Final Breakfast you would have heard my comments about the three most valuable things as a volunteer in a junior sports organisation:

1. Above all the most important thing we can do in life is have positive influences on the lives of children of any age;
2. Ensure we provide the best possible coaches for the kids---a winning coach is not necessarily the best coach but the best coach is one who educates and keeps the kids playing football year after year;
3. As a volunteer each of our roles are a privilege not a right...we are serving and shaping the lives of thousands of young members.

Thank you to everyone who has crossed my path over the past 21 years, where many long term friendships have been forged, and I would like to take this opportunity to wish all the future Board Members every success with taking the League forward.

I would like to extend my best wishes for a very happy Christmas Season and may 2018 be a safe and successful year for you all.

Remember "IT'S ALL ABOUT THE KIDS"

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2017

1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Income Tax

The Yarra Junior Football League is a non-profit association and, as a Community Service Organisation, is exempt from income tax.

Property, Plant and Equipment (PPE)

Leasehold improvements and property and equipment are carried at cost less the relevant depreciation. Leasehold improvements have not been amortised.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. Any consideration deferred is treated as the provision of finance and is discounted at a rate of interest that is generally accepted in the market for similar arrangements. The difference between the amount initially recognised and the amount ultimately received is interest revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

YARRA JUNIOR FOOTBALL LEAGUE
A.B.N. 99 078869 953

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2017

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at the end of the reporting period and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF YARRA JUNIOR FOOTBALL LEAGUE

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report of Yarra Junior Football League (the association), which comprises the balance sheet as at 31 October 2017, and the income statement, a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporation Reform Act 2012 and are appropriate to meet the needs of the members. The committee's responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material mis-statement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material mis-statement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting obligations under the Associations Incorporation Act. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
