2018 SNAPSHOT

FROM THE GENERAL MANAGER

THE BOARD

2018 saw a changing of the YJFL Board leadership following the retirement of Peter Haddad after nine years as President and 21 years of service to the League. Jeff Hooper took over as President, and the Board elected Tim Murray as the new Vice-President. During the season ill health saw Peter Haddad retire from the Board, and Ian Gray and Peter Norris also retired. In August, Leeann Gill was appointed to the Board to fill a casual vacancy.

LEAGUE PATRON

Another change saw David Parkin OAM step down after seventeen years as Patron of the League, and he was replaced by Luke Power, three time Brisbane Lions Premiership player and currently an Academy Coach with the AFL. Luke was able to join us at our major functions and his input to the League was much appreciated. We look forward to his support in the coming years. David's contribution to the League has been enormous with hundreds of Under 8 and Under 9 coaches being addressed pre-season by him throughout his tenure.

GROWTH IN 2018

The number of teams in the YJFL increased to 501 in 2018, up from 483 in 2017 – an increase of 4.8%. This continued the trend of previous years with most of the growth attributed to increasing numbers of girls playing football. Female playing numbers grew from 1998 in 2017 to 2624 in 2018. Female team numbers increased from 83 in 2017 to 114 in 2018 an increase of 27.2%. This follows from the 37.3% increase the previous year, inspired by the inaugural first AFLW season. For the first time, an Under 11 Girls competition was added as more younger girls decided to try football. Early indications are that growth in female football will continue at much the same rate in 2019 as many club have indicated that they will be entering new female teams.

CONDUCT

Conduct across the League was very good in 2018 with few major incidents. For the second year, automatic penalties were offered by umpires at matches and there were thirty-two reports with thirteen either being referred directly or electing to go to the Tribunal. While the number of reports increased from the previous season (18) this is seen as a positive thing as umpires are reporting incidents on the day knowing that they can deal with them and not have to go to the Tribunal. There were three Conduct Investigation Tribunal hearings to hear reports against officials and players, and these were all dealt with to the League's satisfaction. The YJFL is fortunate to have a Conduct Panel of former club and League officials who give up their time to sit on the Tribunals throughout the year and the Board is extremely grateful to them. In particular, Mr Mathew Matheou, Chair of the Independent Tribunal, and Mr Wally Tyrrell, Chair of the Conduct Investigation Tribunal, have given significant amounts of time to the League over many years.

UMPIRES

This year saw the Umpires group, led by Umpires Manager David Hannan, deal with the loss of a number of experienced umpires which necessitated the fast tracking of a number of young umpires to higher grades. Many thanks go to David and his team for dealing with the situation admirably. It was pleasing to see young umpires developing quickly and taking on greater responsibility. The coaching panel of David, John Taylor, Julian Murphy, Alex Christie and their assistants, deserve our thanks for providing umpiring across the League, often in difficult circumstances.

The three Umpire Academies at Camberwell Grammar, Genazzano College and Ivanhoe Grammar continued with a number of young umpires learning their craft and then having the opportunity to umpire in the YJFL on a Sunday. Thanks to Neville Nash at AFL Victoria for his organization and support of these Academies, and also to Damien Hannan, Patrick Matthews, Angus McIlroy and Adrian Fisher for coaching these groups.

Thanks also to the Ashburton Junior Football Club for hosting the umpire training at Burwood Reserve on Thursday evenings throughout the season. Congratulations to all of the umpires who were selected to officiate in representative matches throughout the season.

SPONSORSHIP AND BUSINESS PARTNERS

The League would like to thank our Business Partners in 2018 who gave great support to our competitions, events and programs as follows:

- Global Sports, Bluegum and TLA Worldwide as the YJFL's three licensed apparel providers
- Hiredepot became the new sponsor of the League's representative teams in the AFL Victoria Metropolitan Junior Championships.
- A Grade Club Supplies and Sherrin for the provision of footballs and other equipment
- SEDA Group for their ongoing support and for sponsoring the Annual Presentation Night and Grand Final Breakfast
- DFS came on board as the sponsor for the annual Under 10 Lightning Premiership, Under 8 and Under 9 Days for 2018 and 2019.
- Day2Day Rewards introduced a new card for club members of YJFL clubs.
- Club Warehouse offered discount prices to our clubs for all First Aid products

FROM THE GENERAL MANAGER

- Colbrow Medics for their support and the provision of medics at YJFL events
- Complete Sports Management, our partner in providing Live Streaming of matches at Bulleen Park during season 2018
- Photography Matters sponsored our Teams of the Year and provided a photographic service to the League.

STAFFING

With Michael Wigg and Joe Crabtree leaving at the end of season 2017, the YJFL office undertook a re-organization with two new staff joining the office in Jessica O'Connor and Shannon Lennie. Midway through the year David Sheridan commenced as Talent Development Manager with the brief of redeveloping the Leagues representative and football development programs.

During the season AFL Victoria's Football Development Manager Mitch Harvey, who was located in the YJFL Office, departed for Western Australia and he was replaced by Matthew Young.

REPRESENTATIVE FOOTBALL

The League aims to offer a number of opportunities for as many players as possible to represent the League in representative matches, and 2018 was no exception.

AFL Victoria Metropolitan Junior Championships

The 2018 Championships saw the YJFL enter two teams in each of the Under 15 Boys, Under 15 Girls and Under 14 Boys competitions. The season was another successful one for the YJFL with all teams proving to be very competitive. Many thanks to the coaches and assistant coaches who helped provide the players with a great experience. The program started with the field days in February and concluded with the finals in late June/early July, so the time and effort contributed by our coaches is considerable.

Three teams made the grand finals of the Championships and all played South Metro Junior Football League. The Under 15 Division 1A team went down to South Metro by 13 points in a close fought match after having beaten them during the preliminary rounds. The Under 15 Division 1B team had a great win by 37 points, and the Under 14 Div 1B team were too strong winning their grand final by 43 points.

Under 13 Interleague Carnival

The Under 13 Carnival with the South Metro Junior Football League was held at Bulleen Park on the Queen's Birthday Weekend. The YJFL proved to be very strong in the Under 13 Division 1 and the Under 13 Division 2 matches, whilst in both Under 13 Girls divisions the tables were reversed and South Metro won these Shields. Many thanks go to the coaches Jono Black, Gerry Baldori, Rebecca Shepherd and Sophia Ikosidekis and their assistants for their efforts in preparing the teams and helping to make the program a rewarding experience for the participants.

Under 13 Futures Program

Two Under 12 Girls and two Under 12 Boys teams trained for several weeks and played matches against each other on Sunday 16 September. The matches were very competitive and the experience was very much enjoyed by all the players. The players were nominated by their clubs and will have the opportunity to participate in the Under 13 trials in February 2019.

Under 16 Representative Teams versus AFL Goulburn Murray Region at Shepparton

A bus full of Under 16 girls and boys travelled to Rumbellara in Shepparton for the second year of matches against AFL Goulburn Murray on 6 July. A great day was had by all and both teams played brilliant football to take home the Shields. A big thank you to all of the parents and families who travelled up to watch the matches and support our teams, and to the people at Rumbellara Football Club and AFL Goulburn Murray for their magnificent hospitality. Thanks to the coaches Pat Di Natali and Brad Harris for the Girls team and Warde Elliot and Emanuele Di Parsi for the Boys and their assistants for the great job they did for the five weeks of the program. After a long drive the teams arrived back at Bulleen to be picked up by their parents, having had a memorable day.

Colts and Youth Girls Teams of the Year

This season saw the Teams of the Year play teams from the Oakleigh Chargers in night matches on Wednesday 12 September at Bulleen Park. It was a great occasion and the football displayed was quite brilliant. Although the preparation period was very short, both our teams combined as though they had been together all season and produced two great wins. Coaches of the Year, Monty Stuart from Fitzroy and Brydie Carmichael from Kew Comets, did an outstanding job in preparing the teams and coaching on the day and many thanks go to them for their efforts.

FROM THE GENERAL MANAGER

SUMMER DEVELOPMENT PROGRAMS

During the September-November period, the focus turns to skills development and six week programs are held on week nights at Bulleen Park. This year there are four programs which cover Girls (all ages), Under 10 Boys, Under 11 - Under 12 Boys and Under 13 Boys. The programs are open to all players regardless of their capability and have proved useful in developing skill and confidence. 270 players have partaken in 2018.

PRESENTATION NIGHT

On the last Tuesday of the season with only Grand Final Day to come, the Annual Presentation night was held at The Centre Ivanhoe. Congratulations to all those players who were invited along having finished in the top vote getters in their competition. A further congratulations to the place getters and Best and Fairest winners. The winner of the Northern Knights Female Rising Star Award was Jessica Simpson of St Marys and Male Rising Star was Josh Ward of Fitzroy. The winner of the Oakleigh Chargers Female Player of the Year was Emily Bacon of Surrey Park and Male Player of the Year was Leo Moore of Boroondara Hawks. The Youth Girls and the Colts Teams of the Year were announced and each player presented with a framed copy of the team. A special thanks goes to Collingwood players Jordan de Goey and Jeremy Howe for spending time with us and presenting awards.

GRAND FINAL BREAKFAST

This season's YJFL Grand Final Breakfast was the biggest yet with 300 people attending. The guest speakers were very entertaining with Dale Bleach, Recruiting Officer from Carlton Football Club, and Leo Barry, former Sydney Swans star, providing plenty of insight into the AFL scene. Thanks to all the clubs for supporting this flagship event of the YJFL season.

YJFL VOLUNTEER OF THE YEAR

2018 saw the introduction of a Volunteer of the Year Award to recognise the outstanding contribution of volunteers across the League.

Nominations were received from clubs and eight finalists were presented with certificates at the Grand Final Breakfast. The recipient of the inaugural Volunteer of the Year Award was Linda Palmer of Fitzroy Junior Football Club for her tireless work and outstanding contribution to that club.

LIFE MEMBERS

The Board of the YJFL has pleasure in appointing the following very worthy recipients as Life Members of the YJFL:

VALE

Season 2018 saw the sad passing of YJFL Life Member Brian Frayne. Brian was a former secretary of the Doncaster District Junior Football League, and he made an enormous contribution over many years to that League which later merged with the Hawthorn District Junior Football League to form the YJFL.

Geoff Deveson

Geoff began umpiring in the Doncaster District Junior Football League in 1995 and has umpired in excess of 1200 games across a number of Leagues. He continues to umpire each week at a high level and is very well respected for his professional approach and friendly manner. Geoff has held the following positions for the YJFL and YJFL Umpires Association:

- Committee member of YJFLUA since 2000
- President of YJFLUA from 2003 to date
- YJFL Umpires Advisor from 2006-2009 during which time he was responsible for coaching, appointments and recruitment of umpires together with representations as an umpire's advocate at tribunal hearings and tribunals.

Geoff's dedication to umpiring is exemplified by his commitment to continuing to umpire in the VAFA and the YJFL long after others have retired.

Joe Mezgec

Joe was a coach at Beverley Hills Junior Football Club when he took on the role of Assistant Coach of YJFL representative teams at Under 15 level working with head coach Justin Wenke in 2008. He graduated to the position of Head Coach of the Under 14 Division 2 team in 2010, and then became Head Coach of the Under 14 Division 1 team from 2014 to 2018. His record was outstanding in preparing teams, and his teams achieved a number of championships cups over the period.

In 2011 Joe became a Junior Development Officer for the League and was responsible for organizing the Under 13 and Under 14 programs. In this role, Joe was also instrumental in planning and delivering the YJFL Summer Development Programs from 2013 to 2018. He also worked at Oakleigh Chargers in their junior programs for a number of years. Always much loved by the players he coached, Joe has been an incredibly hardworking, dedicated stalwart of the YJFL over many years. It was with regret that the YJFL accepted his resignation, due to the pressures of a new job, after the 2018 season.

Peter Nicholls General Manger

FROM THE CHAIRMAN/PRESIDENT

After seven years in YJFL club-land and another seven involved in the YJFL, combined with my corporate background and the last two years of tutoring by the great Peter Haddad, I felt I had been impeccably prepared for the role of YJFL Chairman. Nonetheless, after my first year, the Presidential shoes are different when worn and the challenge of continual improvement remains the focus.

With the support of the 32 club presidents, AFL Victoria, the YJFL Executive team led by Peter Nicholls, the YJFL Umpiring fraternity and our nine councils, the highlight of our year was the same as every other year of our 22 year existence, the enjoyment that our players and families get from Sunday match day.

The role of our Board is to every year improve on that fun and sense of community. We endeavour to make it the preferred sporting option for our families. Volunteerism is the cornerstone of community but it has to be enjoyable. All of the YJFL Board and Club Board members are volunteers and a camaraderie of spirit is a key platform for our league to continue its role as a community leader in the Melbourne inner suburbs at league level. The days of a volunteer President or Board member committing hundreds of hours to their role, such as the commitment of Peter Haddad over many years, has passed, but we can look forward to the balanced contribution of well qualified Board Members in the coming years.

The biggest element of that relevance is the long overdue growth in female football. Peter Nicholls and I have been the YJFL Champions of its insurgence and the addition of new female staff into the executive, plus the appointments of Leeann Gill (Football Director) and Ishbel Moodie (Finance Director) on to the Board with Lesley Langley, will drive and balance the female voice in all we do at Yarra going forward. There is a changing club culture as more girls and women (and fathers and daughters) enter our community, many for the first time.

The importance of our Clubs as stakeholders is obvious but their changing role as emerging community leaders has progressed our League to engage more broadly with councils and get closer to AFL Victoria to facilitate our more effective linkage to the diversity expectations of our families. In 2019, we will increase our multicultural engagement practices through interleague program ties with the AFL NGA program and our elite talent pathways with Oakleigh Chargers/Northern Knights/Eastern Rangers/Calder Cannons. We have made significant progress in that regard with the appointment of David Sheridan to our Executive team.

One of our primary governance platforms is to run the League in a fiscally responsible manner. In addition to appointing a dedicated (volunteer) Finance Director to the Board, we have introduced a

player based funding model to underpin the long term financial sustainability of the YJFL and ensure we provide a professional medic at every ground a player plays at, regardless of club capabilities. I congratulate the club Presidents for having the foresight to look beyond club perspectives and lead the implementation of the overall community benefit objective of this decision.

Another area requiring our focus is the need to recruit more umpires, and there are plans to add 200 plus more umpires over the next five years. We are working with the VAFA on a connection to better develop umpires and put more of them into the AFL Pathway system.

It is important that I pay homage to a few who have contributed to improvements in our impact in 2018.

Thanks to our Vice President, Tim Murray, for his wisdom on all things but in particular his focus to work with Shaun Dowling to remodel our grading process to achieve better outcomes. It is by nature an imperfect quest but our industry leading obsession to better match teams each year took significant steps forward under a stronger data driven approach by Tim and better engagement and trust between Club Football Directors, Presidents and our grading group. Tim is also guiding our Female Football Sub-committee which is supporting the planning for the continued phenomenal growth of girl's football. The Sub-committee is seeking support from the AFL Research Board for a study of injuries and especially concussion in 2019.

Thanks to Lesley Langley (Conduct Director) and Peter Nicholls for implementing a more education base rather than penalty based approach to transgression issues. Coach education, spirit of the game compliance, diversity acceptance and spectator match day zero tolerance behavior standards were significantly progressed in 2018. Combined with the wisdom of our tribunal members, this mix of initiatives led to improvement in our ability to get more on the right side of this delicate balance.

Finally, thanks to Alan Vickery (Club Liaison Director), the YJFL Executive office members, all match-day volunteers including coaches and team managers, ground managers and canteen workers for making Sunday footy happen. A special thanks to retiring Director Ian Gray for his long-standing service to the YJFL, and Peter Norris for his time on the Board.

2019 bodes to be our most challenging and exciting year as we create a more diverse and community representative YJFL.

Jeff Hooper
President

1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Income Tax

The Yarra Junior Football League is a non-profit association and, as a Community Service Organisation, is exempt from income tax.

Property, Plant and Equipment (PPE)

Leasehold improvements and property and equipment are carried at cost less the relevant depreciation. Leasehold improvements have not been amortised.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. Any consideration deferred is treated as the provision of finance and is discounted at a rate of interest that is generally accepted in the market for similar arrangements. The difference between the amount initially recognised and the amount ultimately received is interest revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2018

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at the end of the reporting period and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.
